

## About Ripple Foundation

Ripple Foundation is a 100% volunteer-run educational charity dedicated to fostering creative literacy among children and youth across Canada. Our mission is to nurture creativity, confidence, and critical thinking skills through our engaging and free programs. By empowering the next generation with the tools and inspiration they need, we aim to create a ripple effect of positive change in their communities and beyond.

## Get Your Students Involved

Help spread the word about these amazing opportunities. Encourage your students to participate in Ripple Foundation's programs to enhance their writing skills, earn volunteer hours, and develop leadership abilities. Enable them to discover valuable experiences that will contribute to their personal and educational growth.

# Virtual Volunteer Opportunities for Students

## Inspiring Creativity & Leadership

# Empower high school students with unique volunteer opportunities in creativity and leadership.

Improve writing, earn volunteer hours, and develop leadership skills  
— all virtual, no commute required.

## Wave Blog

Share your voice and discover inspiring stories and tips from fellow students every week!

**Overview:** An online publication for students in grades 8-12, featuring weekly posts that allow them to express their perspectives on various topics.

**Opportunity:** High school students gain publishing industry experience by working with professional editors, enhancing their writing, and developing essential communication skills.

**Benefits:** Contributors sharpen their writing skills and engage in creative expression which is showcased on a vibrant platform.

## Write It Workshops

Find out how you can get involved and join our team to make a difference!

**Overview:** Creative writing workshops led by adults and high school student facilitators, designed to deliver engaging lesson plans to grades 4-8 students every Saturday for one hour.

**Opportunity:** High school students gain valuable experience by collaborating with facilitators, mentoring younger children, and developing educational leadership skills.

**Impact:** Facilitators work directly with younger students, enhancing their literacy and creativity, and significantly contributing to their educational development.

## Express Inspire Connect

Join the youth team and sign up to be notified when conference registration opens!

**Overview:** An annual virtual conference led by high school students for their peers, facilitating meaningful dialogues and networking opportunities.

**Opportunity:** A chance for high school students to be a part of the youth team to organize the conference, practicing their leadership and organizational skills.

**Professional Development:** Students develop essential professional skills, including leadership, communication, project management, and networking.
